

TRACKED CARRIERS

1200 **R** PRO

The 1200 series from Tracked Carriers is the ideal all-round carrier. At just 750mm wide the 1200 R and 1200 PRO models can fit through most doorways, and with a substantial 1,200kg maximum capacity the uses are endless.

Tracked Carriers **R** models use state-of-the-art technology whilst being simple to operate, reliable and easy to maintain.

PRO models offer increased features such as gradient-monitoring, information feedback and a smart auxiliary output, ideal when increased safety measures are required or powered attachments make the job easier.
